When you order Zeta Maths resources, you will receive a disc with a licensed copy of the homework packs in *pdf* format to be used by your school for an unlimited period. An answer book will also be provided. This is a one-off payment order and for this the school is free to use the resources for its staff and pupils and to share the resources with its pupils on a secure website such as *Glow* or *Edmodo*.

If you would like to receive a printed colour copy of each book this will cost an additional £5 per book for printing, postage and packaging.

| Materials | Price | Code | Check to order |
|---------------------------------------|-------|------|----------------|
| First Level – Development Homework | £50 | 1PD | |
| First Level – Consolidation Homework | £50 | 1PC | |
| Second Level – Development Homework | £50 | 2PD | |
| Second Level – Consolidation Homework | £50 | 2PC | |
| Third Level – Development Homework | £30 | 3PH | |

I wish to order a colour copy of each book for an additional £5 per copy:
